Peacehaven Community School

Aspire • Believe • Contribute • Achieve

Swale Ecofest

Friday 8th November 2024

Our wildlife • Boost our Butterflies • Keep our countryside clear •

Save our Seas • Respect our Rivers • Bee kind to our Bees • Watch out for our wildlife •

Task

To design and create a 3D natural sculpture out of discarded and recyclable objects, which relays the message of how much damage we are doing to our wildlife, our seas and our countryside with our throwaway, carefree lifestyles.

We encourage you to think of anything within our ecosystem that is vulnerable and is at risk due to human negligence.

PCS will provide:	Schools need to bring:
Chicken mesh - each group will have xm2	Pliers
PVA glue	Bottle tops
Newspapers	Old fabric
Cardboard bases	Coloured plastic bottles
Paint	Empty drinks cans
Plastic bags	Fabric off cuts

These will be your raw materials and you will start the project from scratch

Groups of 4 or 5 per school
Venue DT1 and DT2
Year group 9
