## 1. Introduction

The Whitstable School has a school dress code for Years 7 to 11 which must be adhered to by all and a less prescriptive one for the Sixth Form. Its purpose is to encourage a sense of belonging to our community at TWS.

At The Whitstable School, we believe in 'Look Smart, Think Smart, Work Smart'.

All TWS pupils are therefore expected to maintain this high standard by coming to school smartly dressed in their full school uniform and wearing it in the required style. All items of uniform worn to school must be of conventional and formal style and clearly marked with the owner's name. Shirts must be tucked in, top buttons must be fastened, skirts must not be rolled up, blazers and ties must be worn. For inappropriate skirt length trousers will be enforced. Clothing must not include fashion items. Clothes, or any other item that a pupil brings to school, should not portray any inappropriate logos or wording. If parents/carers have any doubts about what may be inappropriate, they should contact the Headteacher.

From time to time, the Headteacher may impose additional restrictions upon pupil clothing and equipment in the spirit of keeping pupil uniform looking smart and appropriate.

- Only discreet make-up is allowed.
- No jewellery other than a watch is permitted. Jewellery will be confiscated and given to Reception for collection after school.
- Nail varnish, acrylics, gels or false nails are not allowed.
- Small clear stud earrings are permitted. Wearing plasters over piercings and earrings is not permitted.
- Hair styles and colour should be acceptable for a formal school situation. Extreme hair styles and colours (including patterns/lines or those that could cause offence or deemed inappropriate) are not allowed in school.
- No visible tattoos are permitted at any time, including during PE lessons or games activities.
- False eyelashes are not permitted.

Any pupil not adhering to the Uniform Policy will be given the opportunity to correct uniform infringements. However, if the uniform infringement is unable to be rectified then pupils will be directed to the Pupil Support Provision until they have been able to do so.

When pupils are travelling by public transport or are walking or cycling to or from school, they are expected to conform to the Uniform Policy.

## **2. Provisions**

The offer of a place at the school is made on the understanding that parents will fully support the school's uniform policy. Parents are asked to encourage their children to respect their school uniform, to wear it with pride and to keep it in good condition.
