9 November 2020

Dear Parents and Carers,

Use of face masks in school.

In line with new Government guidelines, from tomorrow all pupils, unless exempt, are required to wear a face mask at all times whilst accessing communal areas of the school.

Pupils should have their own personal mask with them and this should be worn upon entering the school from 08:15. Pupils are permitted to remove their face mask at the beginning of lessons if they wish, then wear them again when moving to their next lesson.

Pupils will also be reminded that they are to wear a face mask if choosing to stay indoors at break time and lunchtime.

Please note that this also applies to pupils on the days they arrive in their PE kits.

EduLink

As part of a Trust initiative to update our school systems we are in the process of trialing a new parent contact system called My Child At School which we hope will replace EduLink. Whilst we are setting up the new system we will continue to use EduLink and you can still contact the school through the app.

Once the new system is up and running we will write to all parents with full information and log in details.

Yours sincerely

Mrs AM Gibson
Headteacher
